

CONSULTANTS AND CONTRACTORS - JUNE 2017

AAA CONSULTING GEOLOGISTS	
Ballymore	Tel: (091) 846288
Craughwell	Fax: (091) 846350
Co. Galway	Contact: Daniel Deeny
	email: dandeeny@eircom.net
SERVICES OFFERED: Geotechnical consultancy and project management; Site investigation: Mining / quarrying; Engineering and hydrogeological sectors; Geophysical data acquisition, interpretation; Equipment hire.	

AARDVARK GEOLOGICAL SERVICES	
38 Ballygoskin Road	Tel: (0801) 238542608
Crossgarr	Fax: (091) 846350
Co. Galway	Contact: Alan Bell
Northern Ireland	
SERVICES OFFERED: Exploration, mapping and evaluation of resources for the Dimension Stone and Aggregate Industries; quarry planning and management; environmental screening; DTP for technical reports.	

Advanced Mining Solutions Ltd.	
11 Loreto Avenue	Tel: 087-4134333
Bishops Meadows	Contact: Jonathan Talbot
Kilkenny	email: jtalbot@advancedminingsolutions.com
Co. Kilkenny	www.advancedminingsolution.com
SERVICES OFFERED: Geotechnical Engineering, Mine Backfill, Geological Services, Numerical Modelling, Sprayed Concrete, Pressure Grouting, Quarry Design/ Geotechnical Assessments, Site Investigation, Geotechnical Monitoring, Testwork, Mine Contracting and Training, Project Management.	

ALS GEOCHEMISTRY	
Athenry Road	Tel: (091) 841741
Loughrea	Fax: (091) 842146
Co. Galway	email: als.m.loughrea@alsglobal.com
SERVICES OFFERED: Precious and base metal analysis by fire assay, AA, ICP-OES, ICP-MS, XRF. Testing of geochemical exploration samples, iron ores, bauxite and base metal ores.	

APEX GEOSERVICES LTD	
Kilnerin,	Tel: (0402) 21842
Gorey,	Fax: (0402) 21843
Co. Wexford.	Mobile: (087) 9365000
	Contact: P.O'Connor
	email: poconnor@apexgeoservices.ie
	www.apexgeoservices.ie
SERVICES OFFERED: Geophysical contracting and consulting to the mining, aggregates, engineering & environmental sectors.	

AQUA GEOSERVICES LTD.	
Wavecrest	Tel: 0864011870
Greenhills Road	Contact: Bruno Teillard
Wicklow	Email: info@aquageo.ie
Co. Wicklow	www.aquageo.ie
SERVICES OFFERED: Hydrogeological and Hydrological studies, Soil & Water Sampling, Environmental Monitoring, Appropriate Assessments, Environmental Impact Assessments (soil and water), Assimilative Capacity Assessments, Discharge Licences, Environmental Water Resource Development, Dewatering and Groundwater control, Contaminant Hydrogeology.	

AURUM EXPLORATION LTD.	
Unit S/C	Tel: (046) 9293278, 9293279
Kells Business Park	Fax: (046) 9293277
Kells	Contact: Vaughan Williams
Co. Meath	email: vwilliams@aurumexploration.com
	www.aurumexploration.com
SERVICES OFFERED: Base, precious metal and industrial mineral exploration; project planning and management; area selection; historical data research; data acquisition and digital capture; GIS expertise; CAD facility; A4-AO plotting and scanning. Geological mapping and prospecting; geochemical and geophysical survey planning, sampling and evaluation. Drill rig/site management; core logging; lithological, structural, mineralogical and geotechnical; mobile core groove and split sampling service. Site investigation; underground mapping.	

NIGEL BARNES & ASSOCIATES	
Corner House	Tel: (065) 9059366
Cree	Contact: Nigel Barnes
Kilrush	email: nba@iol.ie
Co. Clare	
SERVICES OFFERED: Advice and design in mining; quarrying and mass rock excavation with particular reference to plant machinery and processing; specialist knowledge of continuous mining and handling systems; mathematical modelling techniques applied to mining and quarrying; application of chaos theory and fractals in the extractive industries.	

BENNET, S.M. HYDROGEOLOGICAL & ENVIRONMENTAL CONSULTANTS	
Hillview	Tel: (087) 2736965
Rosmeen	Contact: Shane Bennet
Kells	email: bennet@iol.ie
Co. Meath	
SERVICES OFFERED: Hydrogeological and environmental engineering services specialising in contaminated land, water supply, food risk, environmental liability, oil spillage, landfill assessment, quarrying, aquifer vulnerability assessment, landspreading and surface water hydrology.	

BMA GEOSERVICES	
Strawhill Business Park	Tel: (059) 9134488
Athy Road	Fax: (059) 9134490
Co. Carlow	Contact: Niall Mc Manus
	email: nmcm Manus@bma.ie
	www.bma.ie
SERVICES OFFERED: Exploration management; country reviews; geophysical data acquisition, analysis, and interpretation; geochemical surveying; environmental impact assessments; hydrology; geohydrology; geotechnical engineering and site investigation; quarry design and planning; aggregate specification studies.	

BRG LTD.	
8b Unit C	Tel: 059 864 1772
Athy Business Park,	Contact: Dave Blaney
Athy	email: blaneyd@gmail.com
Co. Kildare	www.brg.ie
SERVICES OFFERED: Exploration project management; geological mapping; drillhole supervision and core logging; geochemical sampling; soil and deep-overburden sampling; window sampling; resistivity/conductivity, IP/Resistivity, magnetics/radiometric, seismics and gravity/micro-gravity surveys.	

CDM SMITH	
O'Connell Bridge House, 5th Floor	Tel: (01) 672 2700
D'Olier Street	Contact: Ruairi O'Carroll
Dublin 2	email: dublin@cdmsmith.com
Co. Dublin	www.cdmsmith.com
SERVICES OFFERED: Planning & Permitting: geology, hydrogeology, GIS mapping, modelling, mine permitting, mine planning, geochemical modelling, geotechnical investigations, environmental impact assessment, strategic environmental assessment, environmental monitoring, waste and IE/IPPC licensing/permitting, environmental management systems, regulatory liaison & facilitation; Infrastructure Design: waste rock and tailings design, water treatment design, stormwater planning, dewatering, facility engineering, electrical, mechanical & civil engineering, tunnelling; Operations: dewatering, water treatment, water supply, surface and groundwater modelling, tailings expansion, tunnelling, environmental compliance audits, sustainability planning; Closure: reclamation planning, tailings capping, water management, water treatment – active and passive, long term monitoring, subsidence, acid rock drainage.	

CLIFFORD CONSULTANTS LTD.	
Murcliff	Tel: (090) 6492225
The Berries	Fax: (090) 6493688
Athlone	Mobile: 0879573754
Co. Roscommon	Contact: John Clifford
	email: cliffordconsultants@eircom.net
SERVICES OFFERED: Exploration project management; ore reserves; prospecting appraisals; evaluations; technical reporting; joint venture negotiations; country reviews.	

DAVE COLLER	
Castlesallagh	Tel: (045) 404662
Donard	Mobile: 0876374670
Co. Wicklow	email: dcoller@eircom.net
SERVICES OFFERED: Geological and environmental consultant: specialised in all geology particularly structural geology and environmental science: experience national and international, worked overseas in over 40 countries	

JOHN R. J. COLTHURST	
Blackhall	Tel: (045) 868868
Clane	Mob: (087) 2054842
Co. Kildare	Contact: John Colthurst
	email: colthrst@indigo.ie
SERVICES OFFERED: Exploration management; ground evaluation for base metals, precious metals and industrial minerals; supervision of geochemical, geophysical and drilling programmes; preparation of licence reports; data presentation and geological drafting.	

B. P. CONNOR AND ASSOCIATES LTD.	
1 Richmond	Tel: (051) 390650
Priests Road	Fax: (051) 381932
Tramore	Contact: Brian P. Connor
Co. Waterford	email: bpcassoc@iol.ie
SERVICES OFFERED: Groundwater and environmental studies; metallic and non-metallic exploration.	

CONODATE INTERNATIONAL LTD.	
7 Dundrum Business Park	Tel: (01) 2965151
Windy Arbour	Fax: (01) 2965152
Dublin 14	Contact: Gareth Ll. Jones
	email: conodate@mac.com
SERVICES OFFERED: Biostratigraphy, caves and Karst; industrial minerals; enewable energy.	

DE BRIT AND ASSOCIATES	
12 Ballyowen Crescent	Tel: (01) 62140746
Lucan	Contact: Tom De Brit
Co. Dublin	email: tomdeb@datarelate.com
SERVICES OFFERED: Structural geology; mineral exploration; areas and target selection for Carboniferous zinc/lead; industrial minerals exploration and evaluation; quarry services; computer applications.	

A. J. DEEVY	
Rosemount	Tel: (051) 384712
Killotteran	Fax: (051) 384712
Waterford	Contact: Anthony Deevy
	email: ajdeevy@eircom.net
SERVICES OFFERED: Management of Exploration and Development Projects; national and international experience in base and precious metals plus industrial minerals; narrow vein mining a speciality; property evaluation and assessment.	

ERA-MAPTEC	
7 Manntans Court	Tel: (086) 8146956
Wicklow Town	Contact: Martin Critchley
County Wicklow	email: mcritchley@era.ie
	www.era.ie
SERVICES OFFERED: Mineral and hydrocarbon exploration; geological mapping; statistical analysis of geological data; digitising of geological data; remote sensing; interpretation of satellite imagery and airborne radar; environmental impact assessments; baseline studies; site investigations. Digital mapping and cartography, Geographic Information Systems. Investigation and interpretation of historic mine sites. 3D visualization, digital fy throughs and Visual impact assessment	

FLEMING, A. (LAZ)	
171 Moyville	Tel: (01) 4936079
Rathfarnham	Mob: (087) 6422534
Dublin 16	Contact: Laz Fleming
	email: femineral@eircom.net
SERVICES OFFERED: Target Generation; Historical Data Research; Geological Due Diligence; Exploration Management; Base Metals; Gold & Diamonds; Portuguese and Spanish speaking.	

GEOFLUIDS RESEARCH GROUP, NUI GALWAY	
Orbsen Building	Tel: (091) 495097
NUI Galway	Contact: Jon Hunt
University Road	email: jon.hunt@nuigalway.ie
Galway H91 TK33	
Co. Galway	
SERVICES OFFERED: Petrographic and Fluid Inclusion analysis, representative sample selection for thin section/fluid inclusion wafer preparation, preparation of thin section/fluid inclusion wafer (sub-contracted), identification of minerals using Laser Raman Spectrometry, microthermometric analysis of fluid inclusions, identification of chemical species (solid, liquid and vapour) trapped in fluid inclusions using Laser Raman Spectrometry.	

GOLDER ASSOCIATES IRELAND LTD.	
Town Centre House	Tel: (045) 87 4411
Dublin Road	Mob: 086 388 0772
Naas	Contact: Barry Balding
Co. Kildare	email: bbalding@golder.com
	www.golder.com
SERVICES OFFERED: Exploration services. Resource estimation. Mine planning and scheduling. Rock mechanics. Geotechnical appraisal and assessment. Environmental services – ESIA. Hydrology and Hydrogeology. Tailings design and construction management. Mine closure & mine rehabilitation. Waste management. Project management and coordination of PEA, PFS & FS. Environmental and mine due diligence. Environmental chemistry and Geochemistry. Geophysics.	

MAURICE HEFFERNAN	
Coolaclarig	Tel: 087 766 5320
Listowel	Contact: Maurice Heffernan
Co. Kerry	email: mauriceheffernan@ymail.com
SERVICES OFFERED: Manufacturers of all types of timber core - boxes for mineral exploration and site investigation.	

SEAN HENEGHAN	
Ballygowan	Tel: (094) 71126
Claremorris	Fax: (094) 62088
Co. Mayo	Contact: Sean Heneghan
	email: clarind@eircom.net
SERVICES OFFERED: Manufacturers of all types of timber core-boxes and core-racks.	

HILLIARD & HILLTWISTER LTD.	
Cahirdown	Tel: (068) 21197
Listowel	Fax: (068) 22476
Co. Kerry	Contact: Noel Hilliard
SERVICES OFFERED: Diamond drilling; reverse circulation drilling; site investigation services.	

INDUSTRIAL LIAISON OFFICE	
University College	Tel: (021) 4902688
Cork	Fax: (021) 4273365
	Contact: Tony Weaver
	Email: Tony.Weaver@ucc.ie
SERVICES OFFERED: Geological field mapping; hydrogeology; mineralogical/petrographic analysis; biostrati-graphy and maturation studies; heavy mineral identification; environmental impact assessment; geological surveying.	

IRISH DRILLING LTD.	
Loughrea	Tel: (091) 841274
Co. Galway	Fax: (091) 841433
	Contact: Declan Joyce
	email: irdrill@iol.ie
SERVICES OFFERED: Surface and underground diamond drilling (to 1,000m); reverse circulation drilling; site investigation.	

IRISH INDUSTRIAL EXPLOSIVES LTD.	
87-89 Waterloo Road	Tel: (01) 6685193
Dublin 4	Fax: (01) 6685248
	www.iie-online.com
SERVICES OFFERED: Explosives; accessories and flotation chemical supplier; environmental problems arising from industry.	

GARETH V. JONES	
80, Cremorne	Tel: (01) 4945829
Templeogue	Fax: (01) 4945829
Dublin 16	Contact: Gareth V. Jones
email: garethvjones@ntlworld.ie	
SERVICES OFFERED: Exploration and project management, base metals, gold, coal, industrial minerals, property and resource appraisals and evaluations, resource estimates, literature research; ground selection.	

JS DRILLING LTD.	
20 The Belfry	Tel: 0877433451
Chapel Lane	Fax: 0567793887
Thomastown	Contact: Jim Stephenson
Co. Kilkenny	E-mail: jim@jsdrilling.ie
	Website: www.jsdrilling.ie
SERVICES OFFERED: Site investigations; geological and environmental drilling; contaminated land; overburden casing systems; rotary core drilling; cable tool drilling; window sampling; dynamic probing; grouting / pressure grouting; making safe old mine working sites.	

LISHEEN TECHNICAL AND MINING SERVICES LTD.	
4-5 Burton Hall Road	Tel: 087 2241129
Sandyford	Contact: Brendan Morris
Dublin 18	e-mail: brendan.morris@lisheenmining.com
	www.lisheenmining.com
SERVICES OFFERED: Mining operational management, mine engineering, geotechnical engineering, mine planning, geology, ore reserve estimation, due diligence, mine closure, safety auditing/training, operator training, high speed development and mine rescue training.	

LITHAN LTD.	
5B Ards Business Centre	Tel: 028 9181 1400
Jubilee Road	Fax: 028 9182 0625
Newtownards,	e-mail: info@lithan.co.uk
Co. Down BT 23 4YH	www.lithan.co.uk
SERVICES OFFERED: Stone work; selection of materials and methods for conservation, restoration and refurbishment of structures old and new.	

LORD CONSULTING ENGINEERS	
Boyne House	Tel: (046) 9021000
Church Hill	Fax: (046) 9022466
Navan	Contact: Patrick Lord
Co. Meath	email: info@lord.ie
	www.lord.ie
SERVICES OFFERED: Electrical and energy engineering consultancy providing specialist input to feasibility studies; design and specification; procurement; construction management; energy economics; supply options; troubleshooting and energy audits.	

MERCURY ANALYTICAL LTD.	
Raheen Industrial Estate	Tel: (061) 229055
Limerick	Fax: (061) 229327
	Contact: Peter Cazalet
	email: manalyt@eircom.net
SERVICES OFFERED: Geochemical assay and analysis; water analysis; environmental analysis; bacteriological analysis; animal and plant tissue trace metals analysis.	

MOLYNEUX T. G.	
74 Ripley Hills	Tel: (01) 2828832
Bray	Contact: Tom Molyneux
Co. Wicklow	email: twkmolyx@gofree.indigo.ie
SERVICES OFFERED: Precious and base metals exploration; geochemistry programme design; geological mapping.	

NATURAL RESOURCE CONSULTANTS	
Faughts	Tel: (071) 46414
Dunally	Fax: (071) 46414
Co. Sligo	Contact: Eamonn Grennan
SERVICES OFFERED: Exploration management; feasibility, development studies in base and precious metals, industrial minerals and coal, environmental impact studies.	

O'NEILL GROUND WATER ENGINEERING LTD.	
Unit B1	Tel: (045) 895668
M7 Business Park	Fax: (045) 881705
Newhall	Contact: Shane O'Neill
Naas	email: soneill@groundwatereng.ie
Co. Kildare	
SERVICES OFFERED: Water resource development; bottled water development; mine hydrology; dewatering and ground water control; ground water flow; transport and hydrochemical modelling; contaminant hydrogeology; geophysical surveys and wireline logging; environment impacts; audits and assessment. Civil engineering contract law and administration.	

MERLYN CONSULTING	
2 Merlyn Road	Tel: +353 8798870344
Ballsbridge	Contact: Toby Strauss
Dublin 4	email: toby@merlyn-consulting.com
Co. Dublin	www.merlyn-consulting.com
SERVICES OFFERED: Base metals, Gold & Diamonds; Independent project appraisals and evaluations; Exploration project management; Ore resources; Technical reporting and due diligence	

MICHAEL PHILCOX	
The Nettle Patch	Tel: (045) 865535
Red Bog	Contact: Michael Philcox
Blessington	
Co. Wicklow	
SERVICES OFFERED: Geological Consultant	

PRE MINING SERVICES	
5 Hazel Avenue	Tel: (061) 452690
Cahirdavin	Contact: Tom Flynn
Limerick	
SERVICES OFFERED: Soil, rock, stream and sediment sampling; V.L.F. and Resistivity; pionjar sampling.	

PATERSON, GRANT & WATSON (EUROPE) LIMITED - GEOPHYSICAL CONSULTANTS	
Unit 7, Enterprise Centre	Tel: (01) 2542680
Mullingar	Mob: 087 6614937
Co. Westmeath	Contact: Tom Davitt
	email: tomdavitt@scantech.ie
	www.pgw.on.ca
SERVICES OFFERED: QC/QA and on-site monitoring of airborne ground geophysical surveys; reviewing, processing, compiling and digital enhancement of geophysical data; signature analysis and interpretation of geophysical surveys; target generation and prioritization from integrated geological/geophysical interpretations.	

PRIORITY DRILLING LTD.	
Killimor	Tel (090) 9676632
Ballinasloe	Fax: (090) 9676269
Co. Galway	Contact: Michael McCarthy
	email: michael@priority.ie
SERVICES OFFERED: Surface and underground diamond drilling; directional drilling and in-hole surveying; reverse circulation drilling; site investigation.	

GEORGE REYNOLDS	
1, Beechdale Way	Tel: +353 45 857506
Blessington	Mob: (087) 2584212
Co. Wicklow	Contact: George Reynolds
	email: gareynolds@eircom.net
GPS: 53N10-6W32 IRG 298156E 213914N	
SERVICES OFFERED: Geophysical consultancy with 35 years experience in the application of airborne and ground geophysics to metallic, precious, industrial, diamond and uranium mineral exploration and groundwater investigation; interpretation of acquired and historical data.	

RPS GROUP PLC - IRELAND	
West Pier Business Campus	Tel: (01) 488 2900
Dun Laoghaire	Contact: Paul Heaney
Co. Dublin	mail: Paul.heaney@rpsgroup.com
	www.rpsgroup.com
SERVICES OFFERED: Environmental impact assessment; baseline studies; geological consultancy; hydrogeological services; landfill site selection and evaluation; waste management; environmental management system; environmental auditing.	

E.P. SLOWEY	
6 Gleneaston Gardens	Tel: (01) 6230078
Leixlip	Mob: (087) 2274377
Co. Kildare	Contact: Ed Slowey
	email: edslowey@indigo.ie
SERVICES OFFERED: Exploration planning and management specialising in base and precious metals; project evaluation; data compilation; ground selection; joint venture negotiation; geological mapping and prospecting; drilling supervision and core logging; technical reporting.	

SLR CONSULTING IRELAND	
7 Dundrum Business Park	Tel: (01) 2964667
Windy Arbour	Fax: (01) 2964676
Dundrum	Contact: Deirdre Lewis
Dublin 14	email: dlewis:@slrconsulting.com
	www.slrconsulting.com
SERVICES OFFERED: Exploration project management; evaluations; geological mapping; prospecting and sampling; geophysics; drafting; technical reporting; exploration accounting; joint venture negotiations; overseas project investment opportunities; site investigations; geo-engineering; environmental reviews. Mineral services; mineral surveys; valuations; planning; engineering.	

SORHILL ADVOCATES PTY LTD.	
27 Seabury Park,	Tel: (01) 8454585
Malahide	Mob: (087) 2456946
Co. Dublin	Contact: Seán Ó'Riordáin
	Email: soriordan@sorhill.com.au
	www.sorhill.ie
SERVICES OFFERED: Environmental management; EIA; Master planning; GIS; Noise; Archaeology & cultural heritage; Ecology; Public consultation; Soils & geology; Surface water & groundwater; Waste management; Traffic management; Health Impact; Visual Impact; Regulatory liaison & facilitation; Investor Project Guidance; Technical peer review and benchmarking of EIS to best international standard; Benchmarking of master planning, mitigation and closure strategies; Independent client representation.	

Dr. W. A. (BILL) SHEPPARD	
12 Acorn Road	Mob: (087) 2126677
Dundrum	Tel: (01) 2988157
Dublin 16	email: washere@indigo.ie
	www.liamin.com
SERVICES OFFERED: Mineral deposit geology (Mineral Deposit Anatomy); Geological risk analysis and model verification; Exploration management and supervision; Competent person reporting; Professional drillhole management; Qualitative drill core studies.	

ROWAN ENGINEERING CONSULTANTS	
58 Academy Street	Tel: 046-9030102
Navan	Fax: 01-6335315
Co. Meath	email: info@rec.ie
	www.rec.ie
SERVICES OFFERED: Planning including Environmental impact Assessment (EIA), Environmental Monitoring (Noise, Dust and Water), Waste Licensing/Permitting, Annual Environmental Reports (AER's), Environmental Management Systems (EMS), Restoration and Landscape Plans, Wastewater Treatment, Discharge Licences, Waste Assimilation Capacity Studies, Health & Safety and Forensic Engineering Expertise.	

TOBIN CONSULTING ENGINEERS	
Block 10-4	Tel: +353 1 8030406
Blanchardstown Corporate Park	Fax: +353 1 8030409
Dublin 15	Contact: Siobhan Tinnelly
	www.tobin.ie
SERVICES OFFERED: Waste Management Planning, Environmental Licensing / Environmental Impact Assessment (EIA), Waste Management Facilities, Geology and Hydrogeology, Strategic Environmental Assessment (SEA), Environmental Monitoring	

The Information contained in this leaflet has been provided by the consultants and contractors themselves. While every effort is made to ensure that the details are correct, the Exploration and Mining Division of the Department of Communications, Climate Action and Environment does not accept responsibility for the accuracy of any entry. The inclusion of an entry does not imply endorsement of the company or individual.

For inclusion, changes of address and/or services offered etc, contact: Exploration and Mining Division, Department of Communications, Climate Action and Environment, 29-31 Adelaide Road, Dublin, D02 X285.

Note: Telephone and fax numbers are those to be dialled within the Republic of Ireland. If dialling from elsewhere check appropriate prefix codes.
