## The Arrangement of Prospecting Licence Competitions

Ground available for application under competition is offered every three months through publications on 1<sup>st</sup> February, 1<sup>st</sup> May, 1<sup>st</sup> August and 1<sup>st</sup> November.

- Prospecting Licence areas open for application under equal competition. **Interested parties have two months in which to apply for such areas**, with all applications received during that period deemed to have been received at the same time.
- A list of current prospecting licences granted since the previous competition.
- A list of all prospecting licences currently accepted and advertised.

Competition Publications should be used in conjunction with our Online Mapviewer Service to check ground status and availability. The Online Mapviewer Service is accessible through <http://www.dccae.gov.ie/EMDMapsAndData>.
